Description

Hooray!!! BC has moved to the next stage of Covid restrictions and we are having our first Breakfast Ride in a VERY LONG time.

The venue will be Freddy's Brew Pub in Kelowna and the date will be Sunday, July 18th at 10:00 AM. The Pub has been renovated and there should be lots of room with both inside and outside dining. If you haven't been to Freddy's before, click on the venue below for a map and directions.

Breakfast will be a full buffet and the cost will be \$20 per person with taxes and tip included.

We don't think there will be restrictions on the number of people but as this is our first event in a long time, it could be very well attended. We would like to give the hosts a heads up on expected numbers. Therefore, we would ask that you let Judy know you are coming by Wednesday, July 14th. Send her an email at events@valleybmwrider.com.

We're very much looking forward to seeing everyone.
