Description

This beautiful campsite is also known as Midway Waterfront Park and it is located right beside the Kettle River in the heart of Midway.

We reserve the group campsite area on the west end of the campground. There are flush toilets, hot showers (\$1/short shower or \$2/long shower) and several RV sites as well.

There are also great hiking/biking trails across the river with great views of the surrounding area.

If accessing Midway on Hwy 3, turn south at Florence Street which is the main turnoff in town. Five blocks south you'll turn right (west) on Fifth Ave. (Just before the bridge) You are entering the campground. Continue to the west end to the group site.

If coming from the south going through the Midway border crossing, just follow the main road until you get to a stop sign. Straight ahead into the campground.
