From their Facebook Page:

"We have served Summerland and area for 26 years operating as Santorinis Restaurant. In January 2018 we changed our name, but not our commitment to great food, service and friendliness.

The name Second Home came from you, our customers. You have all made this place feel like a home away from home for us.

We hope to serve you another 26 years under our new name, and look forward to serving you at our Second Home Restaurant!"
